SCHOOLS' RESILIENCE PROGRAMME

## NOW WHAT?

Tell Red Cross what you learnt.

What's next for people in your crew? Don't stop here, keep taking action to create social change!!

Share your Mission Plan with New Zealand Red Cross:

## 6 GET STARTED

Describe your mission.

- What is your project about?
- What is the purpose or kaupapa?
- What makes you passionate about this project?

---

---

---

---

## 7 GET INFORMED

Research and information at the start helps support stronger projects.

- What do you already know?
- What else do you need to know?

---

---

---

---

## PAUSE & REFLECT

Are you building on people's strengths?

How do you know you'll make a difference?

How can you ensure you avoid causing any harm?

## 12 GET REFLECTIVE

Reflect about the success.

- What did you learn?

---

---

---

---

---

---

---

---

---

---

— KAITIAKI, YOU HAVE THE POWER! —

## 11 GET ACTIVATED, GET DESIGNING

Make things happen!

- What will you do? When? With who?

---

---

---

---

---

## 10 GET VOCAL

Tell everyone about your great idea.

- How will you promote your project?

---

---

---

---

---

## 8 GET CONNECTED

Success of any mission is not the work of one but the work of many.

- Who can help?
- Who is already involved?
- Who else needs to be involved?
- Can the project be co-designed?

---

---

---

---

## 9 GET ORGANISED

Record the details of what you will actually do.

- What will you do? How will you do it?
- What is already organised?
- What needs to be organised?

---
